THE ART OF SCIENCE

There's a mixture of art and science that goes into blending our Alchemist wines. Alchemist is an inspiring blend of the very best from our favorite Willamette Valley vineyards and is the small-batch, pinnacle of the Union Wine Company portfolio. This Chardonnay is an elegant and powerful wine crafted to elevate everyday moments to the realm of art.

The 2015 vintage started off with a mild winter which caused bud break to occur very early. The early warm temperatures continued, with flowering occurring in late May to early June in most of the state. Similar to 2014, the summer was warm and dry. As we approached what looked to be like an exceptionally early harvest, the weather cooled off as we entered into September and allowed the flavors to catch up with the escalating sugars. The harvest was bountiful and extremely high quality, with the resulting wines showing generous fruit, intense concentration, and great energy reminiscent of the vintage.
