

UNION WINE CO.

MADE IN OREGON

WOMEN'S RIGHTS ARE HUMAN RIGHTS

That's why Union Wine Co. has partnered with fellow Oregon-based Wildfang, a brand seeking to build a home for badass women everywhere. The goal was simple: bring awareness to the basic issue of human rights. With that, we crafted a special-edition wine where 100% of the profits are donated straight to Planned Parenthood, an organization fighting for those rights all day, every day. We'll drink to that.

Wildfang is a Portland, OR-based brand founded in 2013 by two ambitious and passionate women. Almost immediately, more than 20K+ girls, inspired by their menswear styling and irreverent content, signed on to the Wildfang.com family. It was this amazing community that influenced the company to open its first (and then a second) brick and mortar location in Portland, OR. They are now preparing to open their 3rd and 4th locations later this year.
