OREGON IN A BOTTLE

Underwood Pinot Gris is a bright and refreshing white wine that brings the Pinot flavor experience to more people. Reflecting the character of the region, this wine was made for backyard BBQ's and summer evenings.

After a cold, damp winter we saw early spring heat that pushed bud break up a few weeks ahead of average. A heat spike around flowering caused potential yields to be reduced but would ultimately create small berries and loose clusters. The mild summer to fall temperatures allowed for great flavor development and concentration in the grapes. A historically early harvest saw us picking the sparkling wine grapes in early August, and before the close of the month we were picking pinot noir from warmer sites in the Willamette Valley. Fruit from southern Oregon vineyards came in the first half of September with the cooler Willamette Valley grapes wrapping up by mid-October. 2016's wines are showing good concentration and intensity and have retained amazing freshness and acidity.
