“As far as Oregon wines are concerned, we're a bargain.”

THERE'S GREAT OREGON WINE IN THIS CAN!

When Ryan Harms started Union Wine Company in 2005, he did so with the goal of creating Oregon wines that could be widely accessible to wine drinkers, without sacrificing quality. Underwood exemplifies this commitment and draws from the diverse palette of vineyards and wine-growing regions that Oregon offers to create approachable everyday drinking wine of exceptional value.

We believe the contents are more important than the container, and good wine should be able to go anywhere. Underwood cans have you covered without sacrificing great taste and craftsmanship. #pinkiesdown

In 2022 we were especially excited to harvest the grapes for the Bubbles, the first to come in, because it was a late season and we were antsy to get going - which means that the 2022 Bubbles was made with an extra dose of excitement and joy. Comprised of almost-but-not-quite equal parts Chardonnay, Pinot Gris, and Riesling, this wine showcases the vintage well with beautifully preserved citrus acidity balanced by a hair over 8 g/L residual sugar and plenty of crisp white fruit.
