## Winemaker

## YEP. THIS IS WINE IN A CAN. YOU’RE WELCOME.

When our Founder Ryan Harms set out to make Oregon wine more accessible, he didn’t just mean the price. Our staff would return to work on Mondays with stories of epic PNW adventures – kayaking, climbing, and hiking. Ryan noticed wine was absent from these stories, so he began the quest to make our wine a part of everyone’s adventures.

Our Underwood Nouveau is a riff on a Beaujolais Nouveau. We created it to celebrate our first grape harvest of the year and introduce the true expression of our 2023 vintage. It’s fruit-forward, light, and fun, meaning we had a lot of fun making it, and you’ll have a lot of fun drinking it. Nouveau is known for being a fresh, fruity wine that celebrates the first pour of the season.
