CHEERS TO TOMORROW

Occasions for celebration sometimes happen when you prefer to stay sharp, so we decided to make a non-alcoholic version, the Underwood way. This inaugural offering begins with the same Rosé Bubbles you know and love, then we carefully remove the alcohol using advanced low-temperature extraction methods. Through extensive trials optimizing our gentle removal process, we've perfected a technique that preserves the wine's bright, fresh character.

After alcohol removal, we restore the wine's complexity using only grape-based ingredients crafted in our own winery from Oregon fruit.

At just 70 calories per can, it's a lighter way to celebrate without compromising on flavor. No fuss, no additives, just flavor—all the celebration, without the buzz. We hope you enjoy drinking it as much as we enjoyed crafting it. Here's to tomorrow!
